## Mission Support Information

| k | 54. Please describe how your organization provides access to quality         |
|---|--|
|   | healthcare and/or other services that are timely, appropriate, and effective |
|   | in advancing health and wellness in your community.                          |
|   | [750 characters including spaces (approximately 200 words)]                  |
|   |  |
|   |  |
|   |  |
| k | 55. Describe 1 or 2 past successful innovative projects/improvements you     |
|   | organization has implemented. Innovative projects are ones which             |
|   | improve operations in terms of reduced costs, improved quality, and/or       |
|   | increase capacity.   |
|   | [750 characters including spaces (approximately 200 words)]                  |
|   |  |
|   |  |
| ŀ | 56. Identify your most effective collaborations in the last year. Describe   |
|   |  |
|   | how these collaborations align with AHF's mission of advancing health and    |
|   | wellness for all vulnerable populations in San Diego and Imperial counties   |
|   | [750 characters including spaces (approximately 200 words)]                  |
|   |  |
|   |  |
| k | 57. Identify key leadership within your organization and their capacity and  |
|   | experience to move innovations forward.                                      |
|   | •  |
|   | [750 characters including spaces (approximately 200 words)]                  |
