

WE ARE SEEKING RESIDENT LEADERS

Would you like to be part of our next cohort of Alliance Healthcare Foundation Resident Leaders?

We are looking for a few community leaders that are interested in social innovation and deeply care about transforming our communities through systems-change and out-of-the-box. thinking. They will help further our mission of advancing health and wellness by supporting our programs, including the Innovation Initiative (i2) \$1 million challenge grant, which seeks sustainable transformations aimed at closing equity gaps in health and wellbeing across San Diego.

Who may qualify?

- Someone who lives in San Diego County in an area with the highest health disparity per the [Healthy Places Index](#) and [Justice 40](#)
- Are committed to serving communities that have been marginalized with representing this “lived experience”
- Has a combination of experience in innovation, entrepreneurship, community advocacy, health and wellness, social justice, social determinants of health, community leadership, grant funding and nonprofit work.
- Able to evaluate written and live presentations, and participate in committee discussions in English

Term of Service: September 2024 to November 2025 (about 100 hours)

Compensation: Resident Leaders will be compensated at \$600 per i2 meeting and receive a \$1,500 stipend.

Where can I apply?

Applications will be open from July 1, 2024, through July 26, 2024. To learn more about this program and to apply, visit alliancehf.org/innovation-initiative-i2/resident-leaders/.
