## 2024 Resident Leaders Program

### Description

Resident Leaders (RL) support Alliance Healthcare Foundation (AHF) in achieving our mission of advancing health and wellness for everyone in the region, especially those who are historically marginalized. They assist with providing strategic direction for the organization’s programmatic work to include the Innovation Initiative (i2), based on their unique lived experiences, community engagement leadership, grant funding and nonprofit expertise.

### Roles & Responsibilities for Resident Leaders

- Participate in RL Orientation
- Review programmatic work to include the i2 “draft” application and provide timely feedback within due dates.
- Provide feedback on i2 outreach strategy for potential applicants with AHF staff.
- Participate on the evaluation panel that consists of AHF staff, committee, and board members at all four phases of the Innovation Initiative (i2) review process.
- Evaluate and provide feedback on the i2 application, process, and materials.
- Adhere to the Resident Leader Accountability Agreement by contributing perspective informed by unique lived-experience and making a commitment to support the betterment of all communities with diverse identities across San Diego County.

### Compensation

Compensation includes a \$600 payment per i2 session and a \$4,500 stipend, paid in three equal installments over the course of the service period.

### Length of Service

Resident Leaders length of service will be from September 2024 to November 2025.
